

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Contract Award for DBCP Treatment Unit at Well #16,
Century Boulevard and WD Canal

MEETING DATE: November 6, 1991

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council adopt the attached resolution awarding the contract for the above project to Falco Construction in the amount of \$471,000.00.

BACKGROUND INFORMATION: This project will install a state mandated granular activated carbon (GAC) filter system at Well #16. This filter system will remove DBCP to levels established in the state safe drinking water standards.

The State Department of Health Services has given the City of Lodi an April 1992 deadline to have one filter system installed and in operation. The design of the remaining filter units for the other "contaminated" wells will begin after the first system is in operation.

This project is financed under the California Safe Drinking Water Bond Law Program administered by the State of California, Department of Water Resources, and the State Department of Health Services. The state will reimburse the City upon submittal of the proper paperwork.

Plans and specifications for this project were approved on September 18, 1991. The City received the following twelve bids for this project:

| <u>Bidder</u> | <u>Location</u> | <u>Bid</u> |
|------------------------------|-----------------|--------------|
| Engineer's Estimate | | \$465,000.00 |
| Falco Construction | Stockton | \$471,000.00 |
| Ford Construction | Lodi | \$472,200.00 |
| Pete Fuller Construction | Vacaville | \$475,786.00 |
| Auburn Constructors | Sacramento | \$487,300.00 |
| Wayne Fregien | Stockton | \$493,000.00 |
| Conco-West | Manteca | \$494,000.00 |
| Valley Engineers | Fresno | \$502,000.00 |
| Conejo Constructors | Goshen | \$525,900.00 |
| HRM Plumbing | Stockton | \$531,314.00 |
| Enviro-Con Engineering | Fresno | \$534,700.00 |
| Kirkwood-Bly Inc. | Santa Rosa | \$553,000.00 |
| INA Engineering Construction | Tracy | \$596,600.00 |

APPROVED. _____
